## Welcome to Our Office!

We are pleased to welcome you to our office and happy you have chosen us for your periodontal consultation. Dr. Mathur is certified by the American Board of Periodontology with several years of periodontal experience. It is our aim to provide you and your family with the highest quality of care in the most efficient and courteous manner possible with Dr. Mathur personally delivering all your treatment. We are able to meet all periodontal needs for both children and adults, including the dental implants. During the initial visit Dr. Mathur will determine if a problem exists. If the examination reveals a problem, the extent of that problem and possible treatment approaches will be discussed. We will work closely with your General Dentist to keep him/her advised on your progress.

**To expedite your visit, please fill out the enclosed forms completely and bring them with you to your initial visit.** Patients with insurance coverage for periodontal work should provide us with the necessary information. We will be happy to discuss the various financial plans available. We request full payment for the initial visit with cash, debit/credit card (MC, Visa, Discover, American Express) only.

**Broken and missed appointments** create scheduling problems for other patients, as well as the practice. If you find that you must change your appointment, we require a minimum of 48 hours notice so that we may accommodate another patient. A charge of \$35.00 will be applied for any appointments cancelled without advanced notification. A \$100.00 charge will be applied for surgery or scaling and root planning appointments cancelled or rescheduled without 48 hours notice.

If you have any questions concerning your treatment or need further information, don't hesitate to contact the office Monday – Friday 8:00 am - 4:30 pm. We are always available for emergencies in the evening and on weekends.

Dr. Mathur and the staff look forward to welcoming you into our practice.
